DIRECTOR'S CORNER

September is Library Card Sign-Up Month. A library card is an essential back-to-school supply for kids, teens, and college students to open the doors towards academic success. Your library card is your ticket to free educational resources and activities that bring families together. We provide early literacy support and lifelong learning, and transform how families spend time together. We have skilled staff

to help guide your quest for answers to your questions, free wifi and plenty of computers, hands-on play spaces, storytimes, family fun, and adult social events—come out and meet your neighbors!

While you're here, we have registrars ready for you to register to vote anytime the library is open. National Voter Registration Day is September 27, so please join us in celebrating our shared love for America. I've been reading Ron Chernow's biography, Alexander Hamilton, and I can see why both the musical and this historical saga are so entrancing. Your library card can take you on a journey to the past, or help you to create a fantastic future. We hope to welcome you soon. - Heather

Register to Vote

Are you registered to vote in the upcoming Presidential Election? Did you know you can register at the library until October 11th? You will need to bring 2 forms of ID.
