# Your Public Library Card

[www.mls.lib.il.us](http://www.mls.lib.il.us)

**...here are some things you should know**

**Because your library is a member of the Metropolitan Library System, your new library card will be honored**

- at your home library
- at any of the public libraries in the Metropolitan Library System (See the list on the reverse of this page)
- at cooperating academic libraries in MLS (See the list on the reverse of this page)
- at public libraries in several other library systems in Illinois, including Chicago Public Library, if your home library participates in this inter-system agreement (check with your library).

**You are responsible for all materials borrowed on your card. Remember**

- do not lend your card to friends and relatives
- report any loss or damage to materials borrowed on your card so prompt settlement can be arranged
- notify the library immediately if your card is lost; a lost or damaged card can be replaced - a modest service fee may be charged (check with your library)

**Return materials promptly to the library from which they were borrowed on or before their due date. If you happen to keep materials overdue,**

- the local library will apply its own policy for late return of its own materials
- materials returned to a library other than the one where they were borrowed may incur an additional overdue fine
- when materials from other MLS member libraries are overdue for an extended period of time, the account may be forwarded to a collection agency.

**If you receive an overdue notice and believe it is an error**

- double-check to make sure you have returned everything listed on the notice
- notify either the library or MLS as soon as possible - the overdue notice will indicate who sent it.

**If you move, be sure to notify the library of your new address.**

**If you happen to move to another community, please turn in your present card and re-register at your new library.**

**Ask your librarian about other MLS services available to you through your library.**
