Active & Connected: A Club for Older Adults

What is it? A weekly gathering focusing on the learning needs of older adults and offering opportunities to socialize with others.

Who is it for? The program is designed for individuals age 60+, but people of any age are welcome.

When is it? Starting January 10th, every Thursday, 1-3 pm.

Monthly Program Schedule:

2 Thursdays per month Hands-On Technology Instruction
1 Thursday per month Chair Yoga
1 Thursday per month Conversation Café* or Speaker on Topic of Interest

*Conversation Café
A Conversation Café is a hosted, structured conversation that helps participants shift from “small talk” to “big talk”—to have discussions about topics that matter. They are not debates but dialogues that help participants get to know the viewpoints of others. They can be on personal topics like friendship or grief, or social topics like homelessness or gun violence. Conversations will be hosted by a library staff member. After the first Café, topics will be participant-selected.

January Schedule
January 10th: Protect Your Privacy Online
January 17th: Chair Yoga
January 24th: Be Safe Online
January 31st: Conversation Café: “Friendship”

Active & Connected is made possible by a grant from the U.S. Department of Health and Human Services/Administration for Community Living, awarded through the local agency AgeOptions.
