Happy New Year, Midlothian! What's new at the library? Chromebooks! Starting soon, these laptop computers may be checked out by Midlothian library card holders 10 year of age and older, for up to 2 hours of in-library use per day. You can use these devices to connect to the Internet using our free library Wi Fi, and wireless printing is available. What's the best thing about these Chromebooks? You can use them anywhere in the library—in the commons, in the café, or in a cozy corner! Looking for a quiet space to work alone or collaborate with colleagues on a project? Use our conference/study room (sign up at Check Out desk).

Looking to try a new kind of book club in 2017? Visit our new Graphic Novel Club for adults and older teens. Want to learn some new computer skills? Check out our newly designed Tech Essentials classes. New programs for our youngest patrons include the "Play, Baby, Play" group for infants and toddlers and the "Shake It Up" music and movement story time.

Some old, familiar programs are coming back too! This January and February we are again offering our Winter Reading program for all ages. Look for details in the Adult, Teen, and Children's program sections of the newsletter.

In February, the library will observe African American History Month. On Thursday, February 9, from 6:30-7:30 PM, we will welcome back the phenomenal storyteller Oba William King to share traditional African folktales. Our Adult Book Discussion Group's selection in February will be Homegoing by the Ghanaian author Yaa Gyasi.

The weather outside may be snowy and cold, but there's plenty going on inside at the Library. Come gather around our fireplace and cozy up with a good book! - Jennifer

Library Board of Trustees meetings are held on the third Tuesday of each month, at 7 pm. The public is welcome to attend. **Upcoming Meeting: January 17 & February 21, 2017 .** All programs at the Midlothian Public Library are free and open to the public. Register online at midlothianlibrary.org or call the Help Desk at **(708) 535-2027**

Adult Book Discussion

Saturday, January 14, 10 am

My Year of Running Dangerously by Tom Foreman

Tom Foreman "... has interviewed serial killers and been in the line

of fire. But the most terrifying moment of his life didn't occur on the job--it occurred at home, when his 18-year old daughter asked, 'How would you feel about running a marathon with me?' At the time, Foreman was approaching 51 years old, and his last marathon was almost 30 years behind him... but Foreman reluctantly agreed." (Novelist). Come join the discussion. All are welcome.

Graphic Novel Club

Wednesday, January 18, 6 - 7 pm

The Nameless City by Erin Hicks

Do you like manga, superhero comics or other graphic novels?

This is the club for you! Each month we will read a different graphic novel, it could be a series or stand alone. As a group we will decide which books we would like to read at the meetings. All types of genres are for the choosing! This club is for adults and older teens, there will be a mixture of adult and teen graphic novels. This month's book is *The Nameless City*. Check out a copy at the library before the meeting. Please register!

Adult Programs

Tech Essentials in 3 Parts

Computer Basics (Tech Essentials, Part I)

Mondays, January 9 & February 13, 1 - 2:30 pm

Clueless about computers? The Library can help! Learn about basic computer components, terminology, and essential skills during this informative session with a Library staff member and the tutorials at www.gcflearnfree.org. Whether you are buying a new computer for the first time, or you just want to build your skills and knowledge, this class will enable you to get started with confidence. Please Register.

Internet Basics (Tech Essentials, Part II)

Saturdays, January 21 & February 25, 10 - 11:30 am

Learn about the Internet, an important tool for today's information and commerce. Using tutorials from www.gcflearnfree.org, a Library staff member will help you learn the essential terminology and features of the Internet, with some helpful security tips as well. Learners of any skill level are welcome, but patrons may wish to attend the Computer Basics class as a prerequisite.

Email Basics (Tech Essentials, Part III)

Thursday, January 26, 6 - 7:30 pm & Monday, February 27, 1 - 2:30 pm

This class is designed to familiarize patrons with email, which is used today for sending messages, activating social media accounts and profiles (such as Facebook), shopping online, and much more. Using tutorials from www.gcflearnfree.org, a Library staff member will guide you through creating a new email account, and you will learn important tips about email security as well. Participants in this class should bring a cellular phone to complete email sign-up.

Drop-In Tech Help

Mondays, Noon - 4 pm, Wednesdays, Noon - 4 pm, and Friday, 9 am - 1 pm

Need help learning to use e-mail or Microsoft Office? Have a new smartphone or tablet? Looking for someone to help download a free library e-book or audiobook? In January - February, a volunteer tech helper will be available to answer questions. No appointment necessary.
