“On Your Mark, Get Set, Read!” The Summer Reading kickoff for all ages is Monday, June 6 and the program runs through July 29. It’s going to be an amazing summer packed with sports, games, and reading challenges. For kids, reading over the summer prevents a “summer slide” of skills and allows them to hit the ground running in the fall. Summer Reading = Better Grades! For teens, we have lots of volunteering opportunities, and summer is a chance to make new friends, and read some cool books just for fun. For adults, reading is a surefire stress buster and we have excellent beach read suggestions. There’s something for everyone, so come visit us today. We’re getting everything ready for you to have a grand slam summer of fun! - Heather
