

MIDLOTHIAN PUBLIC LIBRARY HOMEBOUND SERVICES POLICY

I. PURPOSE

The homebound delivery program at Midlothian Public Library provides library services to individuals who are residents of Midlothian and are unable to physically come to the library. "Homebound" is defined as generally being confined to one's residence either temporarily due to illness or accident, or permanently due to disability, age, or other mobility issues. In most cases, if a patron drives, he/she would not be considered homebound.

II. ELIGIBILITY

Homebound services are provided at no cost to the patron (except for normal charges and service fees established by the Board of Trustees for all patrons). Patrons must be a resident of Midlothian and have a current library card in good standing. If the patron does not have a library card, an application for a library card can be signed during the first homebound visit.

III. APPLICATION

Patrons may apply for homebound delivery services by filling out an application which is available at the library and on the library website and may be returned by hand delivery, mail, FAX, or email. If a patron calls the library, a staff member can fill out the form, which the patron can sign during the first homebound visit.

IV. LOAN PROCEDURES

Once the patron has applied, a staff member will contact the applicant to explain how to request materials. A schedule of delivery will be set up during regular library business hours, depending upon patron's needs and the availability of library staff. Designated library staff will assist in selecting material for patrons. Hold rules and item limits will be the same as for all other library patrons. Materials will be delivered to and picked up from each participant's residence by library staff.

V. FINES AND CHARGES

No overdue fines will be assessed for library materials delivered to homebound patrons. However, after thirty (30) days the library may require a staff member to pick up all unreturned library material, and if the library material is not available for pickup at the scheduled time, a suspension in service may be imposed. Participants will be charged with the replacement cost for materials that are lost or damaged while in their care.

VI. HOME ENVIRONMENT

Patrons requesting homebound services must provide a safe and appropriate environment for staff members who make deliveries to their residences, and patrons must protect all materials while in their custody. Staff will not provide assistance with activities of daily living or advice on financial or personal matters.
